- 12. Following the departmental and Trust policies

13. Professional Registration/Codes of Conduct

Be aware of and comply with the relevant codes of conduct and practice set up by your professional regulatory body and maintain up to date professional registration appropriate to the post. Any breach of these codes may lead to action by the Trust independent of any taken by the regulatory or professional body.

Safeguarding Children & Adults

Understand and work within policies and local procedures relating to Safeguarding Children and the Protection of Vulnerable Adults.

Information Governance

Maintain and process all information concerning patients, staff, contractors or the business of the Trust to which the post holder has access, without divulging such information to any third party or make use of information gained in the course of employment, except where this is clearly within the remit of the post holder and the other party's responsibility.

Health & Safety

Whilst at work you must take reasonable care of your own health and safety and of other persons who may be affected by your acts or omissions. You must also cooperate with other members of staff, supervisors or manager to ensure that the requirements or duties imposed by Trust policies concerning Health and Safety are complied with.

Manual Handling

Lift and manoeuvre people, heavy goods and equipment in accordance with manual handling regulations and good practice.

Equal Opportunities

Work within Trust Equal Opportunities policies and promote equality of opportunity at work and equality of access to healthcare, at all times.

Health & Safety

You are required to: co-operate with supervisors, managers and other employees to achieve a healthy and safe environment, to take reasonable care of your own health and safety and that of other persons who may be affected by your actions, to carry out your responsibilities in ways that help to ensure a safe and healthy place of work.

In the course of your work you are to bring to the attention of your supervisor or manager:

- Any situation which reasonably could be considered to represent a serious or immediate danger to the health and safety of any person.
- Any matter which reasonably could be considered to represent a shortcoming in the Trust's health and safety protection arrangements.

Equal Opportunities

Carry out your duties in line with Trust Equality policies and procedures, including relevant legislation, to deliver and promote equity of access to healthcare and equality of opportunity at work at all times.

Infection Prevention and Control

Be familiar with and follow the Trust Infection Control Policies and designated hand hygiene procedures appropriate to your post. In addition you should take action to report to your manager or appropriate person any incidents or poor practice that may result in the spread of infection.

Mandatory Training

Be aware of and undertake mandatory and other training requirements necessary for the successful and safe performance of your job, including relevant updates.

Any other duties necessary for the successful performance of the role.

Restriction on Smoking

The Trust is "Smokefree". You may not smoke in Trust owned buildings or grounds.

The Trust is committed to supporting staff in balancing their work and home lives and encourages staff to discuss their individual needs with their department in order to arrive at mutually satisfactory working arrangements.

This job description is a reflection of the current position and may change in emphasis or detail in light of service developments. It will be reviewed annually as part of the appraisal/performance development review process.
