### Our Journey To Change key messages

It's really important that as we continue to raise awareness and embed Our Journey To Change we use key messages. They will help us to use a shared language to communicate consistently with everyone and to make sure that what we say is simple and human. The key messages below are for use in the communications we share and conversations we have about Our Journey To Change.

#### Key messages:

- Our Journey To Change sets out why we do what we do, the kind of organisation we want to become and the way we will get there by living our values, all of the time. To help us achieve this we have also committed to three big goals over the next five years.
- Our Journey To Change was created with more than 2,500 colleagues, service users, families, carers, partners and our local communities who all took part in Our Big Conversation. We listened to every piece of feedback – and we will continue to listen.
- Through our conversations it was clear that the experience we provide to our service users, carers and colleagues was not consistently good and partners told us we weren't always easy to work with. We are committed to ensuring that we improve this experience for everyone.
- Change won't happen overnight but Our Journey To Change will be placed at the centre of everything we do and will inspire all actions and decision making at all levels, all of the time.
- This is our journey with you – it's important that everyone continues to be part of this.

#### Our values - key messages

- We are committed to co-creating safe and personalised care that improves the lives of people by involving them as equal partners. The most important way we will get there is by living our values, all of the time.
- Our values are respect, compassion and responsibility. They were created with more than 2,500 colleagues, service users, families, carers, partners and our local communities who all took part in Our Big Conversation.
- Our values are:
  - respect – we listen, we are inclusive and we work in partnership
  - compassion – we are kind, we are supportive and we recognise and celebrate achievement
  - Responsibility – we are honest, we are always learning and we are ambitious.
- Our values are at the heart of everything we do.
