1. Introduction

Avon and Wiltshire Mental Health Partnership NHS Trust (AWP) provides inpatient and community-based mental health care for people living in Bath and North East Somerset (B&NES), Bristol, North Somerset, South Gloucestershire, Swindon and Wiltshire. We also provide specialist services extending throughout the south west.

We employ over 5,000 dedicated members of staff who deliver services from more than 90 locations, working in approximately 150 teams across a geographical region of 2,200 miles, for a population of approximately 1.8million people.

We are passionate about promoting good mental health and wellbeing. We strive to use the expertise

and resources within our organisation, and through our partnerships, to deliver high quality services that are safe and focused on people's recovery. Our staff are pivotal in everything we do and we are committed to involving them fully in the development of the Trust and our services.

2. Trust Details

AWP is a partner in two Integrated Care Systems (ICSs). We work closely with our partners across the Bristol, North Somerset and South Gloucestershire ICS and the Bath and North East Somerset, Swindon and Wiltshire ICS to meet the health and care needs of the local populations.

The organisations that make up an ICS – including commissioners, local authorities, hospitals and community services – take collective responsibility for managing resources, delivering care and improving the health of the population.

AWP operates under 3 divisions mirroring the ICSs areas:

- West Division: Bristol, North Somerset and South Gloucestershire
- East Division: B&NES, Swindon and Wiltshire
- Specialised, Secure and CAMHS Division

AWP provides a wide range of services which include:

- Adult acute inpatient services
- Adult recovery services
- Complete intervention
- Early intervention in psychosis
- Later life inpatient services
- Primary care liaison services
- Learning disabilities services
- CARS – liaison and diversion
- Pathfinder service
- Veterans mental health service
- Community drug and alcohol
- Criminal justice services
- Deaf mental health service
- ADHD services

- Low secure services
- Medium secure services
- Mother and baby unit
- Autism spectrum services
- Personality disorders service
- Traumatic stress service
- Care home liaison services
- Eating disorder services
- CAMHS
- Anxiety services
- Memory services
- Street triage services
- Health based place of safety
- Therapy services
- Electro-convulsive therapy
- IAPT services

Our Purpose and our values

We are committed to improving the lives of the people we serve with compassion, respect and dignity. Our purpose can only be fulfilled by staying true to our core values which underpin everything we do; they guide our behaviours and can be seen in every interaction we have with patients, staff and stakeholders. We refer to our values as PRIDE:

P	Passion	Doing our best, all of the time
R	Respect	listening, understanding and valuing what service users and carers, staff and stakeholders tell us
I	Integrity	Being open, honest, straightforward and reliable
D	Diversity	Relating to everyone as an individual
E	Excellence	Striving to provide the highest quality support to service users and their families

Our Strategy and objectives

We are currently developing a five year strategy to reflect the changing needs and strengths within our local populations.

Our strategy has four key objectives:

Provide outstanding care

We will continually improve and provide high quality, safe care to help people achieve the outcomes that are important to them.

Develop outstanding people

We will make AWP a great place to work and learn, providing an environment where a skilled, positive and motivated workforce can provide outstanding care.

Provide sustainable services

We will ensure services are properly resourced to meet rising demand and acuity, and capitalise on opportunity for innovation.

Delivered in partnership

We will deliver care as a joint endeavour with patients/service users, family, friends and carers, including the voluntary sector.

Chief Executive:	Dominic Hardisty

3. Service Details

The post holder will provide psychiatric input in to the North Somerset CAMHS Service.

North Somerset CAMHS Service

The population served by North Somerset CAMHS is approximately 208,000 with 42,475 children and young people under the age of 18. Weston-super-Mare contains the highest areas of deprivation in North Somerset. Our CAMHS receives approximately 1100 referrals per year. Our referral boundaries are co-terminous with North Somerset Local Authority and North Somerset CCG. There are good working relationships with children's services provided by the Local Authority such as children's social care, education and substance misuse service (SAS); and by North Somerset Community Partnership who provide health visiting and school nursing services.

The team is well-established and has benefitted in recent years from the CAMHS grants from central Government, CYP-IAPT and Transformation funding. The team contains highly motivated and experienced practitioners including psychologists, specialist nurses, non-medical prescribers, family psychotherapists, dance therapist and specialist mental health clinicians.

There are opportunities to be involved in undergraduate training at the University of Bristol, and in the academic training programmes within AWP for core and higher trainees.

If the post holder is accredited as a trainer, there is the opportunity to be an educational supervisor for higher trainees. Any post holder who is not yet an accredited trainer would be supported to gain accreditation if they wished to. There is not currently a core trainee attached to this post.

The post holder would also have the opportunity to be involved in teaching within the CAMHS- wide training programme.

North Somerset CAMHS is one team that works across two sites, one in Clevedon and one in Weston-super-Mare. Both sites have office and clinical space. There is dedicated administrator support to the Consultants. We accept referrals up to 18th birthday. The team meets monthly for business meetings and everyone is a member of a weekly peer discussion group. A number of clinicians have had the CYP-IAPT training for CBT, Eating Disorders and Systemic Psychotherapy (family therapy). There are a number of specialist clinics or services which include a well-established eating disorder service, a specialist assessment clinic for ADHD, a learning disability service, a service for looked after children and an Urgent Assessment team.

AWP CAMHS is in the process of implementing the i-THRIVE model for CAMHS (see <http://www.implementingthrive.org/>). This is an evidence based and evidence informing needs-led model for multiagency working for children and young people with mental health difficulties. The post holder will have the opportunity to shape how this model is implemented locally, going forward.

The CAMHS team is based at Drove Road Children`s Centre in the centre of Weston-super-Mare and The Barn, Clevedon. The Weston site is shared with other members of Community Children`s Health Partnership (CCHP) including community paediatricians, speech and language therapists, physiotherapists and occupational therapists. The office space is separate from clinical space. The clinical space includes a family therapy suite and we have a shared electronic room booking system. The Barn, in Clevedon is a new building with office space on the first floor accessed by stairs and a lift and clinical space on the ground floor. The Barn is shared with members of CCHP as well as health visitors and one of the child social care teams.

Sharing office and clinical space has enabled the development of an integrated specialist community children`s service with good working relationships across the teams. There is a shared ASD assessment pathway which also includes Educational Psychologists.

The Consultant Psychiatrists regularly meet with their consultant colleagues in Bristol and South Gloucestershire for peer supervision and other CPD activities.

There are 3 community CAMHS teams in Bristol and 1 in South Gloucestershire. Bristol and South Gloucestershire have a hospital assessment and CAMHS intensive outreach team (CIOT) which is currently merging with the North Somerset Urgent Care and Assessment team to form one team offering hospital assessments and intensive outreach.

The local Tier 4 provision is Riverside Adolescent Unit in Bristol (part of the South West Provider collaborative), which provides both in patient care and a day programme.

4. The post and local working arrangements

Post and speciality:	Locum Consultant Psychiatrist in Child & Adolescent Psychiatry (6 months)
Base:	North Somerset CAMHS is one team that works across two sites, one in Clevedon (The Barn, BS21 6HB) and one in Weston-super-Mare (Drove Road Children`s

Centre, BS23 3NT). Both sites have office and clinical space.

Total Number of PAs: 6 PAs per week

Accountable professionally to: Medical Director

Accountable operationally to: Medical Lead

We are seeking an enthusiastic, dynamic Locum Consultant Psychiatrist to join North Somerset CAMHS. This is post has become vacant due to the current incumbent moving to another consultant post within AWP CAMHS. This is a 6 month fixed term opportunity.

The consultant (post holder) will provide psychiatric input in to the North Somerset CAMHS Service.

Summary of Post

The post is an 6PA locum consultant incorporating 2PAs dedicated to providing psychiatric input and service development to the North Somerset CAMHS Community Eating Disorder Service, and the remainder providing psychiatric input and medical leadership to the core community CAMHS team. The North Somerset Eating Disorder Service is a spoke of the Bristol, North Somerset & South Gloucestershire specialist community eating disorder hub, which has links with Bristol Children's hospital and Riverside inpatient unit.

The core community CAMHS teams offers extended assessments of new referrals followed by referral on to one of several therapeutic care pathways – CBT, DBT, trauma therapy/EMDR, arts psychotherapy. The psychiatrist within the team will offer assessment and treatment where required, working alongside a caseholder within the team, and be an important member of the multi-disciplinary team, offering psychiatric consultation and formulation.

Team composition

- 3.4 Consultant Psychiatrists
- 1.0 Clinical Service Manager
- 3.0 Clinical Psychologists
- 1.0 Consultant Nurse
- 4.0 CAMHS nurses
- 1.0 Psychotherapist
- 2.0 Family Therapists
- 6.0 Mental Health Practitioner
- 2.0 LD Nurses (1 Lead)
- 0.8 LD Clinical psychologist.

Case load and referral rate

The expected caseload is 50-60 open cases, with the expectation that cases will be jointly held with another CAMHS clinician.

The team annual referral rate is approximately 1000.

The successful candidate will, on taking up the appointment, have a continuing responsibility for the care of the patients on their caseload and for contributing to the leadership and service development of the department. The Consultant will not hold clinical responsibility for all cases seen by the team. Referrals to CAMHS are triaged by senior clinicians and are then offered an initial appointment.

Consultant Child and Adolescent Psychiatrists in AWP CAMHS

AWP CAMHS Management Structure

5. Clinical duties

- Provide a psychiatric service to children, adolescents and families in the catchment prescribed by Weston Area Health Trust in collaboration with Consultant colleagues. To deliver a high quality service in line with current guidance and best practice in an efficient and effective way. It is expected that the clinics for the post holder will be at either site to enable accessibility to care and to ensure continuity of provision.
- The Consultant will deliver direct interventions to service users at a level of intensity according to need including those service users who require an assertive approach who are difficult to engage. This will include on-going assessment, diagnoses (including review and clarification) and treatment of mental and physical health needs.
- To support the continuing development of the North Somerset CAMHS multi-disciplinary team and provide advice to members of the Multi-Disciplinary Teams in the North Somerset CAMHS Team.
- To work with the other consultant psychiatrists and senior clinicians as part of the leadership of the CAMHS team.
- To liaise with other parts of the service and GPs and non NHS organisations wherever applicable.

- To liaise with the Intensive and Inpatient services as appropriate to facilitate the smooth handover of clients between services.
- To actively participate in team and personal caseload management and supervision.
- Children who present to Weston General Hospital Emergency Department following deliberate self-harm, if under 16 are transferred to Bristol Children's Hospital for treatment and assessment by the CAMHS Hospital assessment team in Bristol. If specialist CAMHS assessment is required a member of the North Somerset CAMHS Urgent Care and Assessment Team will assess the young person in WGH Emergency Department and arrange follow-up.
- Transition arrangements to community adult mental health team. The local Adult mental health service accepts referrals from 18th birthday but there are transitional arrangements in place for referrals of young people aged between 17 years and 6 months and 18. It is expected that young people in the care of CAMHS who are likely to need care from adult mental health services will be referred to the relevant adult services in the 6 months before their 18th birthday to ensure good transition between services. Community Adult mental health services provide an early intervention in Psychosis service which accepts referrals from 15 years.
- The Consultants in post will provide psychiatric cover for each other's patients on non-working days and leave. It is expected that the consultants will plan their annual and study leave so that there is always a consultant available.
- On call duties. It is expected that the post holder will be part of the out of hours on call provision for CAMHS for the Bristol, North Somerset and South Gloucestershire area.. There is a 2 tier on call. The post holder will be part of the 2nd on-call rota, providing telephone advice to the 1st on call psychiatrist / mental health practitioner. Rarely, they will be required to attend, for example to take part in a Mental Health Act Assessment or if a more experienced clinician is required. The on call psychiatrist is responsible for signing off the Part 2 documentation to enable an admission to a tier 4 unit.

6. General duties

- To manage, appraise and give professional supervision to junior medical staff as agreed between consultant colleagues and the medical director and in accordance with the Trust's personnel policies and procedures.
- To ensure that junior medical staff working with the post holder operate within the parameters of the New Junior Doctor Contract 2016 and are Working Time Directive compliant.
- To undertake the administrative duties associated with the care of patients.
- To undertake administrative duties associated with the running of his/her clinical work.
- To record clinical activity accurately and comprehensively, and submit this promptly to the Information Department.
- To participate in service and business planning activity for the locality and, as appropriate, for the whole mental health service.
- To participate in annual appraisal for consultants.
- To attend and participate in the academic programme of the Trust, including lectures and seminars as part of the internal CPD programme.
- To maintain professional registration with the General Medical Council and to abide by professional codes of conduct.
- To participate annually in a job plan review with the clinical manager, which will include consultation with a relevant manager in order to ensure that the post is developed to take into account changes in service configuration and delivery associated with modernisation.

- To work with local managers and professional colleagues in ensuring the efficient running of services, and share with consultant colleagues in the medical contribution to management.
- To comply with the Trust's agreed policies, procedures, standing orders and financial instructions, and to take an active role in the financial management of the service and support the medical director and other managers in preparing plans for services.

7. Continued professional development (CPD)

The Trust is committed to training and development as it is recognised that trained and motivated staff are crucial to our success. Whether we are inducting new employees to the Trust or meeting new challenges we recognise the importance of training and continuous professional development.

There are a wide range of training opportunities offered by the Training Department, as well as local and Trustwide academic meetings. The Trust expects consultants within local services and specialities to meet in Personal Development Plan (PDP) groups that comply with Royal College or psychiatry guidelines, in order to develop their own PDPs and keep them up to date, and it provides the time for this within Supporting Professional Activity time. The post holder will be expected to maintain good standing with respect to CPD in accordance with the Royal College of Psychiatrists guidelines. The Medical Education team hold details of PDP groups, and can support new staff in finding a suitable consultant group.

Peer supervision will also take place at regular local peer group meetings. The post holder will be expected to join a local peer group.

The post holder is entitled to study leave in accordance with the Medical and Dental Terms and Conditions of Service which is 30 study days over 3 years. Within AWP, this allowance is normally averaged out as 10 days per year. AWP also offers a study leave budget of £1,500 in a period of 3 years, normally averaged out as £500 per year. Individuals may request to use a greater proportion of their triennial entitlement of leave and budget within a single year, following discussion with their Medical Lead.

8. Clinical leadership and medical management

The responsibility for all medical staff within the Trust lies with the Medical Director, Dr Sarah Constantine. She is supported by Dr Pete Wood, Deputy Medical Director for Professional Standards and Dr Suchitra Sabari Girivasan, Deputy Medical Director for Clinical Effectiveness.

Each Directorate is led by a Clinical Director and an Associate Director of Operations. Operational accountability for the post holder lies with the Medical Lead, who has line management responsibility, and the Operational Manager for the service.

The post-holder will be encouraged and supported in developing the appropriate management and leadership skills to fully participate in service developments.

The post-holder will be expected to provide clinical leadership to the multi-disciplinary team and will be encouraged to contribute to other relevant management activities within the Directorate and within AWP.

The post-holder will be expected to attend the Trust's Medical Advisory Group (TMAG), which meets quarterly and includes all medical staff within AWP. This meeting provides a dual function of both education and information sharing. It enable consultants to extend professional advice to the Executive team and for the Executives to consult and inform medical staff of key Trust business.

9. Leadership development programme

The leadership development programme is designed for recently appointed Consultants in AWP to help them understand how their leadership behaviours affect the culture in which they work, and to learn more about themselves as leaders. The programme is one year long and consists of a workshop every 2 months, progressing to masterclasses. It concentrates on 3 core areas:

Self as Leader
Leading teams
Leading change and transition

The programme is run by the Advanced Coaching Academy who have extensive experience of working with the NHS, have been in senior leadership positions themselves, and currently run the Managers Toolkit and coaching training in AWP. The programme includes an individual coaching session at the end of the first module focussing on yourself as a leader.

At the end of the first year of the leadership development programme there will be a series of masterclasses to choose from including:

Influencing skills for leaders
How leaders effectively manage conflict
Inclusive leadership
Authentic leadership with integrity

Medical Leads provide individual supervision for Consultants, which is more frequent for newly appointed Consultants to support the transition to being a Consultant in AWP.

10. Mentoring

AWP has a mentorship scheme available for newly appointed consultants. The post holder is invited to take up a mentor within our Trust, and upon appointment, the new consultant is invited to contact the Director of Medical Education who will link them in with our database of mentors. Dr Sarah Price is the lead for the mentorship scheme, and she can also be approached for guidance and advice by newly appointed medical staff.

The Trust strongly supports mentorship for newly appointed consultants and the time required for mentorship will be available within the job description and job plan. All consultants are expected to be an active member of a CPD group meeting, Royal College of Psychiatry standards.

11. Appraisal and revalidation

All Consultants within the Trust participate in a formal appraisal process and attend an appraisal meeting on an annual basis either with the Medical Lead or an approved Trust appraiser. This is in line with our medical appraisal policy and the good medical practice and guidance from the General Medical Council in preparation for revalidation. The appraisal lead for the Trust and the Medical Education Department hold a list of recognised appraisers within the Trust.

The appraisal process requires all Consultants to use Edgecumbe 360 and to provide an on-going portfolio of supporting evidence which conforms to national, General Medical Council and Royal College standards and guidance.

Appraisals link to the job planning process in line with all Trust medical staff. Sufficient support and time will be allocated in the timetable to allow full participation in the Trust's appraisal process (through allocation of SPA) and the necessary CPD and study leave activity that relates to the appraisal development plan will be supported.

In addition all medical staff must also comply with the Trust policies in relation to the process of Revalidation by the GMC. The Responsible Officer for the Trust is Dr Sarah Constantine, Medical Director.

The Trust uses PReP (Premier IT Revalidation e-Portfolio) to organise the appraisal process and facilitate revalidation recommendations by the Responsible Officer. All medical staff will be required to use PReP.

12. Job planning

Job planning is undertaken in conformity with the terms and conditions of the new consultant contract. Job planning meetings take place annually between May June and July with a clinical manager, together with a general manager if this is agreed by the consultant. Part of the job planning process will include local delivery unit (LDU) objectives that are based on the Trust's annual objectives. A group meeting with all the consultants in the LDU may take place to discuss these local objectives prior to individual job planning meetings. Job plans are reviewed within 6-9 months.

The job planning process links to appraisals. Each consultant is provide with a line manager and will have a minimum of a yearly job plan review. Should there be a proposed change in the workload, a timely job plan review will be offered to support safe working and identify the need for any additional support.

Job plans are submitted electronically using PReP (Premier IT Revalidation e-Portfolio) the same software that manages the appraisal process. The Trust does not expect consultants to opt out of the Working Time Directive.

13. Teaching and training

All medical staff are expected to be accredited as clinical supervisors, and as an education supervisor if directly responsible for a trainee. The post-holder will be expected to undertake the supervision and training of junior and middle grade doctors, Specialist Registrars, multidisciplinary colleagues; where appropriate and medical students from Bristol Medical School and the University of Southampton.

As a junior doctor trainer the post holder will be responsible for their professional supervision and management. Where appropriate, the postholder will be named in the educational contract of junior staff as the person responsible for overseeing their training. The post holder will be expected to be involved and contribute to the regular teaching programme for trainee medical staff and medical students.

The Director of Medical Education; Dr Joanna Whitson, is supported by 4 Associate DMEs, one Senior Teaching Fellows, 16 Undergraduate and Postgraduate Tutors and 7 FY Leads across the footprint of the Trust. The Trust has 51 Core Trainees, 37 Advanced Trainees, 35 FY1 and FY2 Doctors, and 18 Vocational Training Scheme posts for General Practice (GPVTS) across 9 training locations within the Trust.

14. Research

Research is an area of strength in AWP, with the primary source of income being the West of England Clinical Research Network delivering NIHR portfolio research. In recent years AWP has been nationally commended by NIHR for increasing our level of research activity, and supports circa 1,000-2,000 participants to take part in research each year.

The vision for research within AWP is to shape ourselves towards clinical excellence by conducting research that improves our services and makes a difference to service users, carers and staff. Whilst ensuring we provide as many opportunities for everyone to reduce health inequalities and provide evidence based services. The priority areas for research in AWP are; Research into clinical interventions that have the greatest impact on outcomes and advance services, visible leadership for research trust-wide, research being at the centre of all services, and linking with local, national and government priorities to make things better for service users, carers and staff.

AWP benefits from good collaboration with three local universities (Bristol, UWE and Bath) and is one of the major national centres for research into suicide prevention. Over recent years, AWP has worked with its partner universities and NHS trusts in the region to form Bristol Health Partners, a collaboration of NHS organisations, universities and councils. The Partners' mission is to generate significant health improvements in service delivery in Bristol by integrating, promoting and developing Bristol's strengths in health services, research, innovation and education. AWP has good representation on all health integration teams (HITs) relevant to the Trust.

15. Mental Health Act and Responsible Clinician

The post holder would be expected to be approved as a Responsible Clinician and will be expected to renew this approval according to agreed procedures.

16. Administrative support and office accommodation

The consultant will have access to appropriately qualified administrative/secretarial support from a named administrator to enable them to effectively participate in all their roles and responsibilities, to manage their diaries and provide support for non-clinical activities. The named individual will be based at Drove Road Children's Centre.

The consultant will have a desk in a dedicated office (shared with a consultant colleague) with a phone, computer facilities, access to the internet and IT support.

The Consultant will have access to a private room with a phone and computer facilities for the purposes of seeing patients, carers and families where a confidential, safe and therapeutic environment is necessary. This room is also available for the purposes of supervision and speaking with colleagues about patients in a confidential environment. They will also have access to this private room in order to dictate letters and prepare reports, which usually contain confidential and sensitive information.

A mobile phone and a dedicated laptop will be provided to support mobile working.

17. Clinical governance and quality assurance

The Trust is committed to providing high quality, effective care and to this end has a Trust-wide Clinical Governance Committee and locality based Clinical Governance Committees.

It seeks to support Clinical audit and the development of clinical guidelines and protocols, care pathways and care packages based on best evidence. It seeks also to promote continuous education and monitoring of professional performance in order to promote the highest standards of practice.

The post holder will be expected to:

- Contribute to clinical governance and responsibility for setting and monitoring standards
- Participation in clinical audit, and/other local assurance processes.
- Participation in service/team evaluation and the planning of future service developments.

18. Quality improvement

- Leads and manages a team in a way that supports the development of a culture of continuous improvement and learning.
- Utilises a quality improvement approach to think systemically about complex problems, develop potential change ideas and test these in practice using a systematic QI methodology.

- Empowers the team to resolve local issues on a daily basis using the tools and method of quality improvement without staff having to seek permission.
- Promotes awareness and understanding of quality improvement, and shares learning and successes from quality improvement work.

19. External duties, roles and responsibilities

The Trust actively supports the involvement of the consultant body in regional and national groups subject to discussion and approval with the medical director and, as necessary, the chief executive officer.

20. Other duties

From time to time it may be necessary for the post holder to carry out such other duties as may be assigned, with agreement, by the Trust. It is expected that the post holder will not unreasonably withhold agreement to any reasonable proposed changes that the Trust might make.

21. Work programme

It is envisaged that the post-holder will work 8 programmed activities over 4 days. Following appointment there will be a meeting at no later than three months with the clinical manager to review and revise the job plan and objectives of the post-holder. The overall split of programmed activities for a full time post is 7.5 to be devoted to direct clinical care and 2.5 to supporting professional activities (as per the Royal College of Psychiatrists recommendations). The timetable is therefore indicative only. A formal job plan will be agreed between the post-holder and medical lead and service manager three months after commencing the post and at least annually thereafter.

22. On-call and cover arrangements

On-call is a service requirement of this post. There is an on-call commitment for Child and Adolescent psychiatry that is low frequency (1 in 11 pro rata; Category A) providing senior Psychiatric cover for Bristol, South Gloucestershire and North Somerset, between 5pm-9am and weekends. There is a team of non-medical clinicians working within the CAMHS Intensive Outreach Team providing assessments in the acute hospitals who work extended hours until 10pm 7 days per week, with plans to develop a 24/7 crisis service alongside the current 24/7 crisis line.

The on-call consultant psychiatrist provides input to the wards at the Bristol Children's Hospital, Bristol Royal Infirmary and Southmead Hospital, alongside the Bristol Place of Safety and the CAMHS Intensive Outreach Team. A senior CAMHS trainee (ST4-6) is available on call at a rate of 3 in 15. On the other nights the CAMHS consultant is the first medical on call. Between 10pm and 8am the core trainees join the CAMHS Intensive Outreach Team in assessments of 16 and 17 year olds presenting at the acute hospital.

In addition to the 3% Cat A payment, on call is paid at 0.5 PA per week in recognition of the

predictable increase in direct clinical work since there is no longer a middle grade doctor first on call rota. This can be paid or taken as time in lieu.

Provision of reciprocal, mutually agreed, cover for consultant psychiatrist colleagues within the CAMHS team for annual leave, study leave, unplanned leave and for short term sickness etc. All leave requests are submitted electronically via health roster to the Medical Lead with appropriate cover agreements.

23. Wellbeing

Effective local occupational support

As part of our Health and wellbeing program AWP work in partnership with People Asset Management (PAM OH) to provide our staff with a high quality occupational Health services. PAM OH are SEQOHS accredited (Safe, Effective, Quality, Occupational health Service) and provide a full range of OH services including new employee health assessments, access to a full workplace immunisation programs and manager referrals to support staff and managers during periods of ill health. Staff also have access to a 24/7 "sharps" telephone advice line, and a wealth of health and wellbeing information and resources via both the PAM OH website and the AWP health and wellbeing pages on ourspace.

As a mental health Trust AWP recognise the importance of supporting staff mental wellbeing, a free employee assistance program (EAP) provided by PAM assist gives staff access to 24/7 confidential counselling service, which can be accessed online, via the telephone or face to face, additionally we have our own in-house staff Traumatic stress service which can provide support to staff following a traumatic incident.

Proactive local organisational systems to support doctors' wellbeing following serious incidents

AWP has a range of sources of psychological wellbeing support that would be available to doctor's following an incident. Following a serious incident a Staff Support Debrief Meeting can be requested for all staff involved and are facilitated by trained AWP staff. In addition, further wellbeing support is available through our Occupational Health service and psychological interventions for post-traumatic stress disorder are available from AWP's Traumatic Stress Service for staff.

Availability of local initiatives/resources that promote workforce wellbeing

AWP has several ways to support the Health and Wellbeing of staff. There are policies that cover the approach to work life balance such as flexible working and retire and return the flexible approach to retirement. AWP also supports psychical wellbeing through schemes like the cycle to work scheme, our health and wellbeing booklet, vulnerable person's risk assessment and events like the Walking Challenge. Psychological wellbeing is also important and AWP has a range of interventions starting with wellbeing conversations with line manager to a pathway of interventions such as reflective practice, staff support debriefs and the AWP Traumatic Stress Service for staff. We have an active coaching network and doctors can take part in reciprocal mentoring. There is also peer group support and Balint groups for Consultant/SAS doctors. There are active Health and Wellbeing Groups in each area that you can connect in with and have your voice heard.

24. Contract agreement

The post will be covered by the terms and conditions of service for Hospital Medical and Dental staff (England and Wales) as amended from time to time. Contracts have been agreed with the BMA local negotiators, but individuals may wish to discuss this further before acceptance.

25. Leave

Entitlement will be 32 days per annum for full time working, increasing to 34 days on completion of 7 years' service as a Consultant. In addition, there is entitlement to 8 Public/Bank Holidays. For consultants contracted to work less than 10 PAs per week, annual leave, including Public/Bank Holidays will be calculated pro rata.

26. Visiting arrangements

We would welcome the opportunity to meet with any interested candidates prior to the interviews or submission of an application. To discuss the post further or to arrange a visit to the hospital or community facilities please contact:

Claire Luker, Clinical Lead for North Somerset Claire.Luker@nhs.net and Dr Geoff Woodin gwoodin@nhs.net

Short listed applicants are encouraged to take the opportunity of discussing the post with the Chief Executive or Medical Director prior to interview.

28. Population and attractions of area

Population

The total population of North Somerset according to the 2021 census is 216,700, an increase of 7% since the 2011 Census. The major concentration of the population is focussed on the town of Weston-Super-Mare, and its immediate outlying villages. The remainder of the population (called Woodspring) is dispersed within the smaller towns of Clevedon, Portishead, Nailsea and Backwell.

There is also a large rural area, which stretches towards the Mendip Hills. North Somerset is a retirement area, and the towns of Weston-Super-Mare and Clevedon offer up to 2,000 private beds within Nursing and Residential Homes. It is a developing area, with increases in the population scheduled, particularly in Worle and the Portishead area.

The 2021 Census has shown a 22.5% increase in people aged 65 years and over, 2.6% increase in those age 15 – 64 years and a 4.5% increase in those aged 15 years and less. It is estimated that 3,100 individuals in North Somerset suffer with Dementia. The Black and Minority Ethnic groups (BME) make up 2.7 % of the population and 14% of children aged under 16 years are living in poverty (N.Somerset.gov.uk).

Attractions of area

Located in the South west of England, North Somerset offers the best of seaside and country living combined with the benefits of being close to the vibrant cities of Bristol, Bath and Exeter.

It has easy travel routes to Devon, Cornwall, South Wales, London and beyond via the M4 and M5, a central train station in Weston-Super-Mare and several smaller stations across the area and is situated close to Bristol International Airport.

The 4 main towns in the area are Weston-Super-Mare, Clevedon, Nailsea and Portishead. There are 6 main villages, Backwell, Congresbury, Long Ashton, Winscombe, Wrington and Yatton. North Somerset contains a very wide choice of housing from one off character properties to new builds. It is a growing area with significant areas of new housing being developed over the next few years.

There are 63 primary schools, 11 secondary schools, 4 independent schools and 3 special schools in the North Somerset area. In 2014, 93% of secondary school pupils in North Somerset attended a good or outstanding school putting the district second out of 15 local authorities in the South West region for this indicator.

Weston College is the only college in the west of England to be rated as 'outstanding' by Ofsted. They were named 'College of the year' and 'Overall further education provider' in the 2015 Times Educational Supplement Further Education Awards. In 2017 they were awarded the Queen's Anniversary Prize for Higher and Further Education.

North Somerset has over 40 parks, public open spaces and nature reserves and has the most Green Flag awards for green spaces in the south west. For cycling and walking enthusiasts The Strawberry Line is a 10-mile route that takes you through varied landscapes of wildlife-rich wetlands and rural villages between Yatton and Cheddar. The nearby Mendip Hills, an area of outstanding natural beauty, also has a multitude of walking and cycling routes.

Steeped in Victorian history, Weston-super-Mare is undergoing an exciting period of revival and redevelopment. Its busy high street, independent shopping districts and a growing arts and music scene, in addition to lively bars and popular restaurants, makes Weston a real up and coming, cosmopolitan town.

At nearly 3k long Weston-super-Mare beach is one of the UK's longest stretches of natural sand. The historic landmark that is the grand pier is home to numerous rides and attractions.

30. Key terms and benefits

Following is a summary of the main terms and conditions together with the benefits of joining Avon & Wiltshire Mental Health Partnership NHS Trust. Any formal offer of employment will be accompanied by a full statement of terms and conditions.

Salary

The appointment is at Consultant grade with salary thresholds from £99,532 - £131,964 per annum for a full time post of 10 Programmed Activities (PAs). Part Time employees will receive payment pro rata to the above full time salary range. The starting point on the salary scale will depend on the date on which the doctor was first appointed as an NHS Consultant and may take account of other consultant level experience or factors, which have lengthened consultant training, in accordance with the Terms and Conditions – Consultants (England) 2003. This post is also subject to nationally determined terms and conditions of service. If candidates are in receipt of Discretionary Points or Clinical Excellence Awards these will be honoured.

Sick Pay

Entitlements are outlined in paragraph 225 – 240 of the TCS.

Pension

The NHS offers a superannuation scheme, which provides a variety of benefits based on service and final salary. Their pay will be subject to the deductions of contributions in accordance with the scheme's regulations. Membership of the scheme is via automatic enrolment, further details are available on appointment.

Equal Opportunity & Diversity

Avon and Wiltshire Mental Health Partnership NHS Trust is committed to the fair treatment of all people, regardless of their sex, gender re-assignment, race, colour, ethnicity, ethnic or national origin, citizenship, religion, beliefs, disability, mental health needs, age, domestic circumstances, social class, sexual orientation, ex-offender status, political allegiance or trades union membership. The Trust requires all of its employees to treat all of its stakeholders including colleagues, service users, carers and their visitors with dignity and respect.

Flexible Working

The Trust is committed to assisting employees to achieve a healthy work/life balance and will consider sympathetically requests for flexible working arrangements, taking into account the impact on colleagues and the service.

Maternity, Paternity and Special Leave

AWP offers generous maternity leave, after qualifying service, with extended maternity pay together with up to a year's leave with the right to return to your role within the Trust. Paid Partner Leave of two weeks following the birth of a child is also available, as well as Additional Paternity Leave (APL) subject to eligibility. Special Leave is also available when staff are experiencing difficulties for compassionate, domestic, personal or family reasons.

Relocation Expenses

The successful candidate *may* be eligible to apply for assistance with removal and associated expenses in accordance with the Trust's Relocation Policy.

Travel Expenses

Travel expenses will be in accordance with paragraphs 277 – 308 of the TCS for journeys incurred in performing your duties.

Interview Expenses

Second-class travelling expenses will be reimbursed to shortlisted candidates for costs associated with making a pre-interview visit. Subject to the prior agreement of the Trust, shortlisted candidates who make a second visit may be granted expenses on this occasion also. For candidates travelling from abroad, expenses are payable only from the point of entry into the UK.

Two Ticks Disability Symbol

The Trust is committed to the employment and career development of disabled people. To demonstrate our commitment we use the Two Ticks Disability Symbol awarded by the Employment Service. We guarantee an interview to anyone with a disability who meets the minimum criteria for the post. You do not have to be registered disabled but consider yourself to have a disability.

Policies and Procedures

Trust employees are expected to follow Trust policies, procedures and guidance as well as professional standards and guidelines.

Confidentiality

Much of the work is of a confidential nature. This means that no discussion should take place about the care, needs, or activities of any service user, except in the clear interest of that service user or other members of staff. Staff are reminded that personal information concerning colleagues is also confidential.

References

Candidates are required to submit the names and addresses of three referees, one of whom must be their current or most recent employer. Any offer of employment will be subject to the receipt of three satisfactory references.

Occupational Health

Any offer of appointment will be subject to satisfactory medical clearance by an external Occupational Health provider. This is usually by health questionnaire, but may involve a medical examination.

DBS Checks

The appointment will be subject to clearance from the Disclosure and Baring Service.

Induction

The AWP central and local workplace induction programme will be offered on commencement with the Trust, the content will vary according to individual need. In addition to this all new consultants within the first two months of joining AWP will also be offered a bespoke induction with the Executives. This will be in the form of one to one meetings and will enable new consultants to gain a better understanding of AWP's aims and objectives, the boards approach to strategic leadership and how the board puts this strategy of into practice.

Library services

Avon and Wiltshire Mental Health Partnership Trust (AWP) Library and Knowledge service (LKS) provides library and information services to all staff, students on placement, carers and partner organisations who support our service users across the AWP geographical area.

We support the provision of the highest quality mental health care through access to authoritative, high quality information and resources for clinical decision making, continuing professional development, study and research.

We offer book loans, e-book access, document supply, access to an extensive range of journals and databases, evidence and literature search services, current awareness services and training in digital skills. We also provide support for health and wellbeing, run reading groups and book clubs.

The majority of services are accessible online, whilst physical libraries are available at Callington Road Hospital, Green Lane Hospital Devizes and Fountain Way, Salisbury, offering computer access and quiet study space.
