The directorate has a culture of continual learning, innovation, and development, and is currently implementing a mental health transformation plan across our services. This is after instituting and new way of looking after patients in crisis.

You will be expected to:

- Work as part of multidisciplinary teams providing care to adult people with mental health needs, within the inpatient setting.
- Provide senior medical support and guidance to the team
- Work directly with adults and their families and liaise as appropriate with other external mental health providers and acute hospitals
- Participate in the on-call rota frequency is currently 1:50, with a 3% of basic salary, Category A on-call supplement.
- Support your peers and team leader, and be an effective team member whilst allowing them to work with their own initiative
- Work alongside 1wte Consultant Psychiatrist, 1wte Specialty Doctor, 2wte Core Trainees, and 1wte Foundation Year trainee
- Commit to collaborative working, actively supporting and liaising with other health and social professionals, and agencies.

To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about adult mental health care,
- Essential understanding of current developments in mental health care,
- To be a team player
