Why NELFT?

NELFT is an award-winning community and mental health Trust, providing healthcare for over 4.9 million people, ensuring our patients, family and friends feel confident that their health needs are met. We are committed to delivering the **best care** to the communities we serve across North East London, Essex and Kent.

With an excellent reputation for research and development, our skilled healthcare professionals are at the cutting edge of evidence-based innovation, opening up the possibilities for better ways of working and delivery of care. Joining us will provide you with unparalleled access to training opportunities, continuous CPD, peer support groups, and a robust supervision and appraisal system.

We are currently recruiting for a Specialty Doctor in the Adolescent Tier 4 CAMHS service at Kent and Medway Adolescent Hospital, TN12 0ER.

You will join two substantive Consultants, two SAS doctors, and a Senior Trainee within the service, and will have the opportunity to influence future direction, treatment, and models of design in the area in which you work.

Why Kent?

Kent is a county in Southeast England and one of the home counties. It borders Greater London to the northwest, Surrey to the west and East Sussex to the southwest. Kent is famously known as the Garden of England, renowned for its beauty.

You'll not only benefit from the green surroundings, i.e., the Kent Downs; there are also some fantastic blue beaches. Kent is steeped in history with an abundance of castles, museums, and places of interest to visit.

You will be expected to:

- Work as part of multidisciplinary teams in both inpatients and the Home Treatment Pathways
- Provide senior medical support to the team, and direct input on clinical cases
- Provide guidance and supervision to the team
- Work directly with young people and their families and liaise as appropriate with community CYPMHS consultants and specialty doctors
- Lead on emergency Mental Health Act assessments of CAMHS cases in the Section 136 suite on the KMAH site, during working hours and out of hours as required.
- Have clinical responsibility for three planned crisis beds at KMAH, which will allow short 72-hour admissions, as well as providing medical leadership
- Support the Crisis and Home Treatment teams on the Enhanced Treatment Pathways.
- Work alongside two full time Consultants and two other full time Specialty Doctors in the service and will share supervision requirements for junior doctors in the team.
- Develop links already established with the local acute trusts' A&E departments and paediatric services
- Have the opportunity to participate in the resident on-call rota for KMAH

To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about Child and Adolescent mental health care,
- Essential understanding of current developments in mental health care,
- To be a team player

NELFT Benefits:

- Relocation expenses
- Career Development and training
- Just & Compassionate Culture
- Award winning Equality, Diversity, and Inclusion initiatives
- Vivup employee benefits platform and salary sacrifice scheme
- Salary Finance and Financial Wellbeing support
- Employee Assistance Programme
- Health & Wellness initiatives
- 11 Staff Networks including parents & carers network, ethnic minorities network, LGBT+ network and Disability network to name a few
- Retail Discounts
- Flexible working and agile working
- Cycle to work scheme
