Education Mental Health Practitioner (EMHP) / Childrens Wellbeing Practitioner (CWP) **Band 5**

Job Description and Person Specification

Job Description

JOB TITLE: EMHP or CWP
BAND: Band 5
RESPONSIBLE TO: MHST Operational Manager
KEY RELATIONSHIPS:

Internal	External
Own Team Line Manager Mental Health Support Team Locality Clinical Lead SETCAMHS HCRG	Education Settings Partner agencies Social Care Designated Mental Health Lead

The purpose of this job description is to outline the level of responsibility and accountability of this post. This will ensure that all work undertaken by our staff is clearly identified and carried out under clear lines of accountability.

Aim of the role:

The expectation of this post holder will be to support their team, department, and organisation to achieve the Trust's Values in their day-to-day work. These are the 5P's:

- Putting people first
- Prioritising quality
- Being progressive, innovative, and continually improve
- Being professional and honest
- Promoting what is possible – independence, opportunity, and choice.

The post holder will achieve this by:

The NHS is now working with schools and colleges in an increasing number of new areas across England to provide expert emotional wellbeing and mental health support for up to half a million pupils a year – part of the Government's ambitious plans to transform children and young people's mental health through the NHS Long-Term Plan.

This EMHP/CWP role will work with schools and colleges as part of a Mental Health Support Team (MHST) to provide expert emotional wellbeing and mental health support as part of plans to transform children and young people's mental health through the NHS Long-Term Plan.

The teams will build on the support already in place from school counsellors, nurses, educational psychologists, and the voluntary sector to support those with mild to moderate

mental health issues in school and will help children and young people with more severe needs to access the right support and provide a link to CAMHS.

For CWP's working in a MHST setting, it will be expected and supported that they develop skills and knowledge around how to operate within education settings and how to deliver WSA via in house training.

Annual Leave

As an EMHP/CWP within an MHST post-holders will be entitled to annual leave and bank holiday based on years of NHS service. Due to service needs annual leave will predominately need to be taken within school holiday periods. A maximum of a week can be considered within term time following line management discussion and agreement.

Key Responsibilities:

- The Postholder will work as part of an MHST delivering, under supervision, high-quality, brief outcome focused evidence-based interventions for children and young people experiencing mild to moderate mental health difficulties in and around schools. The post holder will be responsible for delivering clinical interventions within the MHST and will receive clinical supervision from a senior psychological practitioner.
- To routinely measure clinical outcomes.
- Promoting the mental and emotional health of children, young people, and families in the community through evidenced based clinical interventions.
- To undertake initial school based and community-based assessments and to deliver a range of early interventions to children and young people with a range of emotional and behavioural difficulties.
- Providing a direct service to children and young people and their families, in an accessible and less stigmatizing

Clinical Skills

- Assess and deliver outcome focused, evidence-based interventions to children and young people experiencing mild to moderate mental health difficulties recognising own limitations and seeking advice when necessary.
- Working in partnership, support children, young people experiencing mild to moderate mental health difficulties and their families in the self-management of presenting difficulties.
- Work in partnership with children, young people, and families in the development of plans for the intervention and agreed outcomes. This will include continuously evaluating and acting on outcomes and activity.
- Support and empower children, young people, and families to make informed choices about the intervention.

- Always operate from an inclusive values base, which recognises and respects diversity.
- Undertakes accurate assessment of risk to self and others.
- Through close case management and supervision, escalate cases where the level of need becomes beyond scope, or more severe ensuring adherence to other relevant elements of service delivery.
- Provide a range of information and support for evidence based psychological treatments, primarily guided self-help. This work may be face-to-face or by telephone.
- Attend multi-disciplinary meetings relating to CYP in treatment, where appropriate.
- To be able to initiate referrals to other health professional specialist services and agencies.
- To provide patients and relatives with information and education thus ensuring they have meaningful choices that promote dignity, independence, and quality of life.
- To act as an autonomous, registered practitioner who is legally and professionally accountable for their own unsupervised actions. Practitioners will be guided by the professional code of conduct.

Leadership

- To participate in the development of an effective team and the development of productive working relationships throughout the Trust.
- To actively promote integrated health professional working internally and externally.
- To facilitate the development of a positive and supportive team culture.
- To take an active interest in working parties and groups within the Trust to develop and improve on service delivery, protocols, and guidelines.
- To participate in the audit process, linking in with the clinical governance agenda.
- To advise, encourage and share knowledge utilising the latest research and practice development, through literature and peer reviews.

Administration

- To be computer literate and encourage implementation of the Trust's IM&T Strategy.
- To promote agile working.
- To ensure accurate recording of actions, and updating patient's records, always maintaining confidentiality.
- To take part, and assist, in the planning and administration relating to day to day running of the caseload.
- To collect clinical data routinely.

Communication

- To develop a broad range of relationships with both internal and external colleagues and partner agencies, including the voluntary sector, services users, parents, and carers.

- To have a wide range of knowledge in approaches to communicating and managing patient care.
- To be able to effectively communicate with colleagues, peers, senior managers, and clinical leads within the Trust.
- To be able to communicate complex patient related information facilitating positive outcomes and ensuring collaborative working.
- Participate in the review and development of clinical policies and identifies improvements to service provision.

Training

- To ensure own continued professional development and support a culture of lifelong learning in self and others.
- To undertake, and assist, in the planning of own mandatory training and workshops.
- To undertake a regular appraisal, developing a personal development plan that includes clinical competencies reflecting the health needs of the local population and relates to Trust strategy.
- To support training as part of the role including changes to professional development and implementation of new policies and guidelines.
- Prepare and present case load information to supervisors within the service on an agreed and scheduled basis, to ensure safe practice and the governance obligations of the trainee, supervisor and service are delivered.
- Respond to and implement supervision suggestions by supervisors in practice.
- To act as mentor to students, providing effective education, facilitating their development, and promoting high standards of care.
