

Dear applicant,

Welcome and thank you for considering a rewarding career within the nursing and midwifery team at Surrey and Sussex Healthcare NHS Trust.

At Surrey and Sussex, we stand at the forefront of healthcare excellence, serving as an integral part of our local community; providing acute and complex services at East Surrey Hospital in Redhill and a range of outpatient, diagnostic and less complex planned services at The Earlswood Centre, Caterham Dene Hospital, Crawley Hospital and Horsham Hospital.

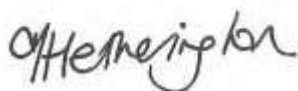

With 1519 registered nurses, 218 midwives and 550 nursing assistants, we foster a path that not only offers professional growth but also allows you to nurture your well-being.

We believe that our strength lies in our people. Our success over the years is a tribute to the dedication, talent and passion of each individual who has chosen to join our organisation.

I extend my best wishes for your forthcoming application to become a part of our dynamic team. Should you choose to join us at Surrey and Sussex, I look forward to the possibility of meeting you in person and welcoming you aboard.

Best wishes,

Tina Hetherington
Chief Nurse
