Letter from Adam Sewell Jones, Chief Executive

Thank you for expressing an interest in working here at East & North Hertfordshire NHS Trust.

East and North Hertfordshire NHS Trust is a very special organisation. Our teams are amazing, and this has been demonstrated even more so during the unprecedented challenges brought about by the Covid-19 pandemic. Our ability to be flexible and innovative in the way in which we work and deliver our services to our catchment has never been more important than it is now.

We are a large acute Trust which operates across four sites; acute services are offered at the Lister Hospital; specialist cancer services at the Mount Vernon Cancer Centre (MVCC); and non-acute services offered at Queen Elizabeth II and Hertford County hospital. We underwent an extensive £150m reconfiguration some years ago which saw all inpatient and complex services centralised at the Lister.

We are an organisation with a strong culture of positive values and our ambition is to provide high-quality, compassionate care to our community in all that we do, including patient experience, clinical outcomes, patient safety and financial sustainability.

We have many great people working for us doing all sorts of roles, ranging from porters to doctors, from administrators to nurses, and everything in between. But we all share one vision – we put our patients at the heart of everything we do.

We have recently partnered with the world-renowned Virginia Mason Institute in an exciting 3-year programme to create and embed a quality management system – our ENH Production System. Drawing on years of quality improvement and culture change experience, the ENH Production System will equip our teams to identify areas for improvement, make changes and measure impact – all with the patient at the centre.

If you decide to apply, you will be joining us at an incredibly exciting time as we continue on our transformation journey. I hope very much, that after reading this pack, you will want to join us on that journey.

I wish you the best of luck in your application.

Adam Sewell-Jones
Chief Executive
