

**GREAT ORMOND STREET HOSPITAL FOR CHILDREN NHS TRUST
GREAT ORMOND STREET
LONDON WC1N 3JH**

Clinical Fellow (Equivalent of ST6+) in Paediatric Gastroenterology for Nutrition and Intestinal Failure.

We are looking to appoint a dynamic and motivated Clinical Fellow to join the subspecialty of Nutrition and Intestinal Failure within the Paediatric Gastroenterology service at Great Ormond Street Hospital.

This post provides a unique and exciting opportunity for applicants who wish to extend their clinical experience in Nutrition and Intestinal Failure, within the unique and supportive environment of Great Ormond Street Hospital.

The appointment will be for 12 months fixed term.

In this post, you will be working as part of a larger MDT and will be responsible for providing senior middle grade care for both inpatients and outpatients, ensuring continuity of care for patients and families as they progress through treatment.

The successful applicant will be subject to satisfactory pre-employment checks.

As a valued member of the middle-grade team you will be included in the educational and training activities of the unit and encouraged to contribute to the teaching of nurses and other junior doctors in the team. However, this post is not recognised for training. Great Ormond Street Hospital for Children NHS Foundation Trust (GOSH) is a national centre of excellence in the provision of specialist children's health care, currently delivering the widest range of specialist care of any children's hospital in the UK. GOSH and UCL Great Ormond Street Institute of Child Health form the largest paediatric research and teaching centre in the UK.

You will have full GMC registration with the General Medical Council and NHS experience. MRCPCH part II or equivalent is essential for all ST6 positions.

You will be expected to work closely with the other members of the Gastroenterology team. The Gastroenterology department provides excellent opportunities for clinical studies and you will be encouraged to take an active role in its ongoing program of clinical research and audit.

This full time post will join the Middle Grade Rota. The out of hour's commitment will involve long days, weekends and night duty with compensatory scheduled time off duty. Annual leave and study leave are covered prospectively.

To arrange an informal visit or to discuss the posts further, you are welcome to contact us via Marjorie.Balaram@gosh.nhs.uk or via email at vacancy@gosh.nhs.uk quoting the appropriate reference number.

Based in central London, GOSH offers flexible working, help with childcare and travel, excellent training and development opportunities and assistance with finding somewhere to live.

All applicants must return their application forms electronically. To apply please go to: <https://www.jobs.nhs.uk/cgi-bin/advsearch> and search for Great Ormond Street Hospital.

We encourage applications from all sections of the community.

We conduct full criminal record checks on all successful candidates.
